Granite Setts

Ryanstone is the oldest supplier of natural granite in Ireland. Established in 1850, Paul Ryan, MD of Ryanstone, represents the sixth generation of the Ryan family to manage and lead Ryanstone.

All Ryanstone products are fully guaranteed as is the quality of our workmanship. We are ISO 9001:2000 certified.

We take pride in our loyal and highly skilled team, where the average length of service per staff member is fifteen years.

All our products are available internationally, and we have extensive business relationships in Europe, the USA and Asia.

This brochure outlines our paving products, We can provide quotations for any size project throughout the UK and Ireland.

### Easy Pavers Sets: pre-designed paving patterns on an easy to lay mesh system

This new range of paving products combines style and simplicity, the easy paver system provides an elegant solution to the time consuming process of installing paving on patios and driveways. Using the highest quality granite and porphyry (available in a range of colours) on a mesh system, with your chosen design, the paving comes ready to lay. Patterns available include: Full Medallion (1) - 800mm x 800mm, Small Fan (2) 770mm x 500mm, Large Fan (3) 1300mm x 650mm, Standard Paving (4) 600mm x 600mm

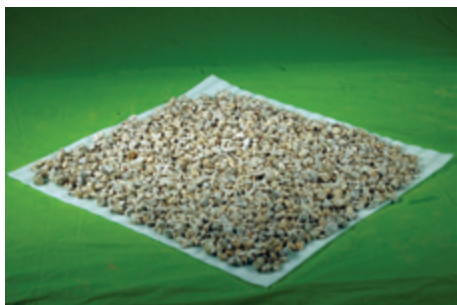

### Blue Limestone Paving and Sets

Blue limestone is available in paving slabs or sets and is suitable for driveways and patios. Above shows paving ranging in sizes from 250 x 60 x 60mm to 250 x 250 x 60mm. The blue limestone is also available in custom sizes, for more information please contact us.

### Granite Paving Slabs

Classic granite paving slabs are available in a number of colours, sizes and finishes. Shown above are a 450 x 450 x 40mm slabs in light grey and desert yellow with a bush-hammered finish. Paving is available in a wide variety of sizes ranging from 100 x 100mm all the way up to 600 x 900mm slabs. Colours available include a range of whites, light greys, medium greys, dark greys, yellows, pinks and reds with a flamed, bush-hammered or sand-blasted finish.

### Wicklow Granite Chippings and Walling

A range of Wicklow granite chippings for patio and gardens is shown above. Wicklow **granite rubble** is also available for **walling** and **rockerys**, as well as split and shaped wicklow granite for walling.

### Granite Setts

Granite setts are available in a range of sizes, finishes and colours. Shown above are split finished setts in a light grey and desert yellow granite. The setts above are 100 x 200 x 100mm and 100 x 100 x 100mm in size. A range of sizes are available, with a bush-hammered, flamed, or tumbled finish.
